**Notice of Application for Rate Increase by  
Golden State Water Company  
Arden Cordova Service Area  
Request for Public Comments  
Application No. 07-01-009**

The California Public Utilities Commission (Commission) is seeking public comment on Application No. 07-01-009 by the Golden State Water Company (GSW) to increase rates for service in 2008, 2009 and 2010. As part of its decision-making process, the Commission is interested in your comments on any aspect of the company's operation including proposed rates, service quality or any other issue of concern.

GSW has filed an application with the Commission requesting authorization to increase revenue in the Arden Cordova Service Area by \$2,812,100 or 32.61% over present revenue for 2008, a decrease of \$178,700 or -1.51% in 2009, and an additional increase of \$109,900 or 0.92% in 2010. GSW contends that the increase in rates is necessitated by the effects of the Company's investment in water system improvements, as well as increased operating costs for items such as the cost of wholesale water, postage, liability insurance, depreciation, materials, purchased services, cost of capital, the General Office allocated costs, labor and payroll taxes.

GSW's Arden Cordova Service Area serves approximately 16,000 customers in all or portions of the cities of Rancho-Cordova, Sacramento and vicinity, Sacramento County.

**Obtaining a Copy of the Application**
